

**Kate Knoerzer**

## **Report of the Treasurer Indiana-Kentucky Synod Evangelical Lutheran Church in America**

**June 4 – 6, 2010**

---

*“The light shines in the darkness, and the darkness did not overcome it.”*

– John 1:5

There is so much to be thankful for in the Indiana-Kentucky Synod! In the midst of darkness and uncertainty, the light does shine.

- During the past twelve months, the endowment has recovered sufficiently to once again exceed its historic gift value.
- In the midst of overall declining benevolence during a struggling economy, one third of our congregations increased the amount of their shared benevolence.

The endowment once again exceeds its historic gift value! During the fiscal year ending January 31, 2010, the synod did not draw on permanently restricted funds, including Mission 2000, because the endowment had fallen below its historic gift value. (The Endowment Spending Policy is available for review on the synod’s Website at [http://www.iksynod.org/whoweare/endowment\\_spending\\_policy.pdf](http://www.iksynod.org/whoweare/endowment_spending_policy.pdf).) Foregoing the draw during 2009 had a significant negative impact on funding for the synod’s ministries. The ability to draw from the endowment will enable some of the funding to be restored during the fiscal year beginning February 1, 2010. We celebrate the rapid improvement in the endowment; however, this is only one component for funding the ministries of the synod. The primary funding source continues to be shared benevolence from congregations.

Although benevolence has declined significantly, we give thanks for your continued faithful partnership in ministry. Understanding that multiple factors, including the poor economy, disagreement with the Churchwide vote, and changing circumstances within congregations, have contributed to the precipitous drop in benevolence, the Synod Council, program staff, and finance committee engaged in an active prioritization process, assisted by the Churchwide budget director. The process helped shine light on the budget during the painful process of reducing funding for the ministries serving those throughout Indiana and Kentucky. The budget for 2009 was originally passed by the Synod Assembly in June, 2008 with benevolence at \$3,000,000. In April, 2009, the budget was reduced to \$2.7 million; during the summer the finance committee, with the assistance of Bishop Stuck and the program staff, worked to further reduce the budget; and in September of 2009, the Synod Council was informed that the finance committee recommended running a deficit budget rather than risk implementing draconian measures that might cause irreparable harm to the mission and vision of the synod.

Deficit spending; however, is neither desirable nor sustainable. A balanced budget is needed for the current fiscal year, which began February 1, 2010. Last June, the assembly passed the budget with benevolence at \$2.8 million. As the benevolence trends clarified, the budget was reduced incrementally to its current level of \$2.2 million. In order to achieve this, staff has been reduced, ministries have been left unfunded, some programs – such as the assembly – are moving toward being self-funding, and grants have been reduced. Yet in the midst of this darkness, we have faith that the light does shine. Thanks to the leadership of Bishop Jim Stuck and assistants, Pr. Bill Gafkjen and Pr. Rudy Mueller, new and creative ways of doing ministry that remain true to our mission, vision, and core values are part of the fabric of the budgeting process. The Synod Council has taken an active leadership role in understanding and communicating the ramifications of fiscal policies and decisions. Many thanks are also in order for the hard-working finance committee, chaired by former treasurer, Kevin Bardonner. Members are Joyce Kissell, Marty Mielke, Kathy Ward, Laura Werner, and our outstanding independent financial consultant, Susan Prenatt.

February 1, 2010, ushered in a new fiscal year for the synod, and a new path in the journey of Outdoor Ministries as they officially became a separate corporation. The synod has carried an interfund receivable of \$135,861.73 due from outdoor ministries on our balance sheet for over 17 years. Although some thought the matter had been resolved years ago, formal action was never taken; therefore, the amount has remained on the financial books. The note could have languished indefinitely, but the move to separately incorporate necessitated addressing the outstanding balance due. On recommendation from the finance committee, the Synod Council voted during their September 2009 meeting to approve the following resolution stating, in part, *“Whereas Outdoor Ministries will embark on a new path in the journey by becoming independently incorporated on Feb 1, 2010, and Whereas the IK Synod desires to be supportive and encouraging of Outdoor Ministries in this endeavor, therefore BE IT RESOLVED that the IK Synod formally forgive the interfund receivable due from OM as a gift to the newly formed corporation.”* Although this was a balance sheet transaction that did not impact cash, it did significantly contribute to the negative bottom line for the fiscal year just ended.

As treasurer, the bottom line is black or red on financial statements, but as a member of the church, of the body of Christ, the bottom line has nothing to do with black or red ink. While I am completely confident that darkness will not overcome us, my prayer for this church that I love is that the light will shine on and through each of us. Together, we can provide the resources needed to enable the Indiana-Kentucky Synod to live into the mission to which God is calling us.

Respectfully submitted,  
Kate Knoerzer  
Treasurer, Indiana-Kentucky Synod

***Thank you for your ongoing partnership in ministry***
