## Tour de Revs

The Tour de Revs is a grassroots effort to (1) increase awareness of hunger and poverty issues, both domestically and internationally, (2) motivate people to act so that the suffering caused by hunger and poverty might be lessened, and (3) generate ongoing contributions to the ELCA World Hunger Appeal or similar relief agencies, be they faith-based or secular.

**God's work. Our hands.**

## Domestique Challenge

The Domestique Challenge consists of three parts:  
(1) Commit to support a hunger relief organization for the next 2 years by at least \$10 per month.

(3) Work with advocacy groups dedicated to relieving hunger and poverty issues.

**God's math  
doesn't just add up,  
it multiplies.**
