

TOUR de REVS

100 Days for Hunger and Wellness

From May 13-Aug. 20, 2009, three ELCA pastors from the West Virginia Synod, will put foot to pedal/seat to saddle to travel over 13,000 miles on a custom-made bamboo “triplet”...a bicycle built for three.

The “Revs” will stop at all 65 ELCA synods. The Indiana-Kentucky Synod, Indianapolis, will be their third stop on May 15-16.

Their focus is to raise awareness of domestic and world hunger and to provide education on hunger and wellness issues. They are also riding to raise funds for the benefit of the ELCA World Hunger Appeal.

Our congregation would like to help support the Tour de Revs initiative with prayers and today’s offering.
